Lottery Credit

If a lottery credit does not appear on your tax bill for your primary residence you may request an application form for the credit from me before January 31st 2026. A primary residence is where you live most of the time and you are entitled to only one credit. If you currently receive the lottery credit, your certification automatically continues. The law requires you to notify the county treasurer within 30 days after you no longer qualify for the credit, either because you no longer own the property or you no longer use it as your primary residence. This form is available online by searching for Wisconsin Lottery Credit Form.

First Dollar Credit

This will apply to all improved property and it need not be a primary residence. First Dollar Credit does not apply to vacant parcels, mobile homes on which a parking fee is paid and improvements on leased land.

IMPORTANT ABOUT DOG LICENSES

The Town of Coloma will not be accepting any requests for dog licenses. As of January, 2026, the County Clerk's Office will be distributing all dog license tags, this will no longer be done through the local municipal treasurers.
